NOTES TO CONTRIBUTORS

The journal BULGARIAN CHEMICAL COMMUNICATIONS publishes research papers and invited reviews in all branches of Chemistry: General and Inorganic, Analytical, Physical, Organic, Polymer, Theoretical, Chemical Engineering, and Biochemistry. An electronic section Electrochemical Impedance Spectroscopy is developed in partnership with the European Internet Centre for Impedance Spectroscopy (EICIS). Throughout the current year, an e-version of papers related to this topic is published in Impedance Contributions Online – EICIS electronic journal at <http://accessimpedance.iusi.bas.bg>. A printed version is published during the following year in one of the issues of BULGARIAN CHEMICAL COMMUNICATIONS.

Manuscripts are submitted by e-mail or mail. They should be in a concise and clear style. The text must be typed double-spaced, on A4 format paper using Times New Roman font size 12, normal character spacing and should not exceed 15 pages (about 3500 words), including photographs, tables, drawings, formulae, *etc.* Authors are requested to use margins of 3 cm on all sides. Hard copies should be submitted in duplicate and reproduced by a clearly legible duplication process.

The use of “*et al.*” in the list of references is not acceptable. Titles of journals must be abbreviated according to Chemical Abstracts.

Figure captions and tables should be appended to the manuscript in separate files (sheets). Special attention is drawn to conciseness of captions. Author(s) name(s), title of the paper, number of drawings, photographs, diagrams, *etc.*, should be written on the back of the illustrative material in accordance with the list enclosed.
