

CONTENTS

<i>IN MEMORIAM Prof. Dr. Natasha Vaklieva-Bancheva</i> .....	5
<i>H. K. Langat, J. K. Keraita, M. Herzog, K. Dimitrov, F. M. Mwema</i> , Effects of weight ratio of novel <i>Calotropis Procera</i> seed fiber on PLA polymer composite.....	7
<i>M. Iqbal, A. Panhwar, K. Ahmed, A. Kandhro, R. Sultana, S. Naz, J. Mughal, Z. Solangi</i> , Textile dyeing of cotton and wool textile material with natural dyes extracted from bluish purple grapes.....	14
<i>R. A. Khan, M. Rashid M. Naveed</i> , Cantharidin: A chemical precursor for the development of novel bioinsecticides .....	19
<i>T. Oyegoke</i> , Green fuels: concepts, benefits, and studies in Nigeria.....	29
 <i>Selected papers from the Conference MAEP&amp;WASTE, September 2021, Plovdiv</i>	
<i>A. M. Dobreva, I. N. Dincheva, N. S. Nenov, A. B. Trendafilova</i> , Chemical characterization of <i>Artemisia annua</i> L. subcritical extract .....	43
<i>G. Latifova, P. Nedyalkov, R. Denkova-Kostova, D. Teneva, B. Goranov, Z. Denkova, G. Kostov, V. Shopska, M. Kaneva</i> , Lactic acid beverage based on wort and mint ( <i>Menta piperita</i> L.).....	49
<i>B. C. Senkal, T. Uskutoglu, H. N. Fidan, S. S. Stankov, H. Dogan, A. S. Stoyanova</i> , Essential oil composition and mineral element content of <i>Salvia Aethiopsis</i> L. from Turkey.....	57
<i>V. Popova, V. Gochev, A. Stoyanova</i> , Bulgarian contribution to the investigation of natural aromatic products: a brief retrospective review.....	62
<i>P. I. Georgieva, I. N. Vasileva, A. B. Parzhanova, V. I. Chalova, S. D. Ivanova, A. M. Slavov</i> , Factors affecting the amount of biologically active substances in extracts of Bulgarian medical plants typical of Western Rhodopes.....	74
<i>G. I. Marovska, I. N. Vasileva, A. Aggelidou, N. S. Yantcheva, A. M. Slavov</i> , Physico-chemical characteristics of polysaccharides isolated from lavender by-products.....	81
<i>T. M. Dodevska, D. T. Hadzhiev, A. M. Slavov</i> , Biosynthesis and potential application of silver and gold nanoparticles to the electroanalysis of hydrogen peroxide and nitrite.....	87
<i>Z. R. Denkova, R. S. Denkova-Kostova, I. N. Vasileva, A. M. Slavov</i> , Antimicrobial activity of plant extracts of rose by-products from the essential oil industry against saprophytic and pathogenic microorganisms.....	95
<i>A. M. Slavov, A. Aladjadjyan, G. I. Marovska</i> , Synthesis of 2,5-furandicarboxylic acid using biosynthesized silver and gold nanoparticles as catalysts.....	102
<i>ACKNOWLEDGEMENT TO REVIEWERS FOR VOL. 53 (2021)</i> .....	107
<i>STRUCTIONS TO AUTHORS</i> .....	108
